

# WARMLY RECOMMENDED FOR A GOLDEN SOUND

RONDO® Gold strings for violin: Warm, shiny, precise.

## How our RONDO® Gold strings work their magic

If you are looking for strings with a warm, shiny sound, our new violin string set RONDO® Gold (Nº.RG100) might just be right for you. The strings add a little extra golden glow to your performance. We can also recommend them for instruments that could benefit from an improved response.

In case you are wondering what the similarities and differences are between our regular RONDO® strings (Nº.R0100) and the new RONDO® Gold (Nº.RG100):

Both sets offer easy playability and are suitable for professionals and ambitious violinists. They differ mainly in their sound character – our new RONDO® Gold strings sound significantly warmer and shinier than the regular set.
