

TIME TO GET YOUR HANDS ON THESE

INFELD BRONZE (NO. IBR112T). Acoustic guitar strings for fingerstyle.

Why you should try our INFELD BRONZE strings

The strings in the set INFELD BRONZE (NO. IBR112T) for acoustic guitars are wound with phosphor bronze. They add the finishing touch to a characteristic fingerstyle performance. And since they are very durable, you'll be able to enjoy them for quite a while.
